An ideal Director of the Board is committed to the Miracle Mile and shares responsibility for helping set objectives to fulfill the MMID mission "To foster the economic vitality, value and appeal of the Miracle Mile". For example, this year the Board established goals to improve the safety, cleanliness and vibrancy of the district by:

- Implementing improvement initiatives such as painting curbs and bollards, replacing worn down signs, planting tree-wells, replacing all light pole banners and planting a live district holiday tree at Tuxedo Court.
- Developing positive partnerships to address security issues through the Stockton Police Department's Business Watch program in collaboration with the Stockton Fire Department, County Mental Health Department, the District Attorney's office and our contracted security services.
- Hosting within the district, three major signature events (Miracle Mile En Blanc, Car Show & Concert and Holiday Sip & Shop) along with several smaller events (Pub Crawl, Third Thursdays Open Late, Trick or Treat and Stockton Cruise Night) to bring foot traffic, exposure and raise money for district initiatives.
- Developing systems for greater communication and information distribution to property owners, merchants and the general public through social media, a brand-new Miracle Mile website with merchant directory, monthly newsletters, block ambassadors and merchant mixers.

With all this in mind we hope you will forward your nominations for the Board of Directors. If you have any questions please contact me at the Miracle Mile office (209.623.1144), on my mobile (209.740.9070) or via email [matthew@stocktonmiraclemile.com](mailto:matthew@stocktonmiraclemile.com).

## MIRACLE MILE IMPROVEMENT DISTRICT BOARD OF DIRECTORS NOMINATION FORM

A position on the Board of Directors of the Miracle Mile Improvement District should not be taken lightly. Directors are expected to attend a general board meeting each month (second Wednesday of the month, generally 4:00pm) as well as emergency or special meetings if scheduled by the board president. Failure to attend three meetings may result in removal from the board. Directors are also required to participate in committees and are required to attend/assist with the three signature Miracle Mile events (Miracle Mile En Blanc, Car Show & Concert, Holiday Sip & Shop).

All directors shall be a property owner, business owner, or the authorized representative of a property or business owner within the Miracle Mile Improvement District. Any qualified property owner may nominate a potential board candidate, or self-nominate, for one of the open board seats. The Executive Director will send via US mail a nomination form to each property owner paying the MMID assessment. Once nominations have been received, the Executive Director will review nominees, determine whether they are eligible for the open seats, and deliver a list of eligible candidates to the MMID Board of Directors. Elections will take place at the November MMID General Board Meeting on November 13<sup>th</sup>, 2019. This year's election cycle includes four (4) property owner board positions and one (1) business owner board position.
